PCB/LEADFRAME/FLEX/BGA SUBSTRATE MANUFACTURING

PRINCIPAL	COMPANY	COUNTRY	PRODUCT DESCRIPTION
EQUIPMENT - PRODUCTION			
	Pluritec	Italy	PCB Drilling System X-Ray Optimization Drilling System
	Tongtai	Taiwan	PCB Drilling System PCB Routing System
	IS	Italy	Surface Preparation System PCB Drilling System
	Cedal	Italy	Dry Film Laminator, Mylar Remover Adara Press System (New Technology)
	Multiline Technology	USA	Multi-layer Registration System X-Ray Drilling System XY Measuring Machine
	Chemcut Corporation	USA	PVC Wet Processing Line Developing, Etching Stripping Line
	Hi-Tech	Japan	Reel-to-Reel Collimated Exposure System Ultra Fine Line Exposure System
	Shoda Techtron	Japan	Bevelling, Shearing, Sawing & V-Scoring System Edge Beveling & Finger Chamfering System
	Transystem Automation	Singapore	Customised Automation for PCB Manufacturing Process Loader/Unloader/Conveyors for various processes
	Qualipac	Hongkong / China	Automatic Vacuum Packaging System Vacuum Bag/Film (Material)
	Genitec	Taiwan	Automatic Ring Setting System Automatic Ring Setting Measurement/Inspection System
PANTEC	Pantec	Taiwan	Stacking/Pinning/Taping System
JUNG CHAO	Jung Chao	Taiwan	Drill Bit Repointing System

PCB/LEADFRAME/FLEX/BGA SUBSTRATE MANUFACTURING

PRINCIPAL	COMPANY	COUNTRY	PRODUCT DESCRIPTION
EQUIPMENT - TEST / INSPECTION / METROLOGY			
	Orbotech*	Israel / USA	PCB Automatic Optical Inspection (AOI) System
			Laser Plotter & Direct Imaging System
			CAM & Engineering Software Solutions
			IC Packaging Substrate Automated Visual Inspection (AVI) System
	ATG/ECT*	Germany / USA	Universal Grid Tester
			Flying Probe Tester (Fixtureless)
	Machvision	Taiwan	Hole AOI & Measurement System
			Microvia AOI System
			Artwork Inspection System
	Glenbrook	USA	Multi-layer Board X-Ray Inspection System
	Thermo Electron	USA	Microbeam XRF Thin Film Thickness/Composition Measurement System
			Substrate/Leadframe Plating Thickness Measuring System
	Matrix Metrologies	USA	XRF Plating Thickness/Composition Measurement System
			Substrate/Leadframe Plating Thickness Measuring System
